High Skills Performance People: Mastering Leadership Excellence

Ref: 20252691_28965 Location: Kuwait City (Kuwait) Fees: 4200 GBP

Why This Course

High-performance leadership is essential for organizations that want to achieve stronger results, build capable teams, encourage innovation, and remain resilient in a changing business environment. Leaders today are expected to do more than manage tasks. They must inspire people, set direction, make sound decisions, build accountability, and create a culture where excellence becomes part of daily work.

Driving high performance requires a balanced mix of emotional intelligence, strategic thinking, communication, motivation, delegation, innovation, change leadership, and continuous improvement. Leaders who master these skills are better able to guide teams through complexity, strengthen engagement, and deliver sustainable organizational success.

This intensive 1-week course is designed to equip leaders with advanced skills and practical strategies to drive high performance across teams and organizations. Through interactive sessions, real-world case studies, leadership exercises, and action planning, participants will learn how to lead with confidence, inspire commitment, and build a culture of excellence and innovation.

What You'll Learn and Practice

By joining this program, you will:

- Understand the principles of high-performance leadership.
- Assess your leadership style, strengths, and improvement areas.
- Develop emotional intelligence for stronger leadership impact.
- Create a compelling vision for organizational excellence.
- Build and lead high-performing teams.
- Apply strategies for team motivation, engagement, and empowerment.
- Delegate effectively and strengthen accountability.
- Manage team dynamics, conflict, and collaboration challenges.
- Foster innovation, creativity, and continuous improvement.
- Lead organizational change and overcome resistance.
- Apply agile leadership principles for adaptability.
- Use advanced decision-making and problem-solving frameworks.
- Manage risk, uncertainty, and ethical leadership challenges.
- Develop future leaders and support succession planning.
- Create a personal high-performance leadership action plan.

The Program Flow
