IFRS 15 Revenue Recognition: Mastering the 5-Step Model

Ref: 20222839_216179 Location: Amman (Jordan) Fees: 4200 GBP

Course Description

This intensive 1-week course provides a comprehensive understanding of IFRS 15 Revenue from Contracts with Customers. Participants will master the 5-step model for revenue recognition, learning to identify contracts, determine performance obligations, allocate transaction prices, and recognize revenue accurately. The course combines theoretical knowledge with practical examples and case studies.

Learning Objectives

- Understand the core principles and scope of IFRS 15
- Master the 5-step model for revenue recognition
- Learn to identify and account for contract modifications
- Develop skills to handle complex revenue recognition scenarios
- Apply IFRS 15 principles to various industries and transaction types

Course Modules
