Mastering Purchasing, Negotiation & Cost Reduction Skills

Ref: 2022885 | **Enrollment:** 21780314 **Location:** Barcelona (Spain) **Fees:** 5200 GBP

Course Description

This intensive 5-day course equips procurement professionals with advanced skills in purchasing techniques, negotiation strategies, and cost reduction. Participants will learn to optimize procurement processes, master negotiation tactics, and implement effective cost-saving measures to drive organizational value and efficiency.

Learning Objectives

- Develop advanced purchasing strategies and techniques
- Master negotiation skills for securing favorable terms
- Implement effective cost reduction and supplier management strategies
- Optimize procurement processes and leverage data-driven insights
- Enhance strategic decision-making in procurement

Course Modules

Day 1: Advanced Purchasing Techniques

- Strategic sourcing and category management
- Supplier evaluation and selection methodologies
- E-procurement systems and digital transformation
- Risk management in procurement

Day 2: Negotiation Mastery

- Negotiation preparation and planning
- Advanced negotiation tactics and techniques
- Managing complex negotiations
- Post-negotiation evaluation and relationship management

Day 3: Cost Reduction Strategies

- Identifying cost drivers and savings opportunities
- Total Cost of Ownership TCO analysis
- Implementing cost reduction initiatives
- Measuring and reporting cost savings
