2026 □□□□□□ 17 – 13
Amman (Jordan)

Professional Accreditation of Conservator-Restorers (PACR)

Ref: 20262987_221702 Date: 13 Oct Location: Amman (Jordan) Fees: 4200 GBP

Course Description

This intensive 1-week course provides a comprehensive overview of the Professional Accreditation of Conservator-Restorers PACR process. Participants will gain in-depth knowledge of professional standards, competence-based assessment methods, and ethical considerations in conservation practice. The course covers PACR's development, implementation, and its role in advancing the conservation profession.

Learning Objectives

- Understand the PACR framework and its significance in the conservation field
- Master the professional standards and competencies required for PACR accreditation
- Develop skills in preparing evidence and documentation for the accreditation process
- Gain insight into the assessment procedures and criteria used in PACR
- Explore ethical considerations and professional judgment in conservation practice
- Learn about continuing professional development CPD requirements for accredited conservator-restorers

Course Modules

Day 1: Introduction to PACR
